# 1. General Employment Considerations

Unless indicated otherwise, all employees are subject to the policies of this Handbook. Adjunct faculty, part-time, and temporary employees must adhere to the professional conduct of this Handbook, though they may not be subject to the specific benefits and specific requirements of full-time employees. This handbook does not constitute a contract for employment with Southeast Arkansas College, either express or implied, and Southeast Arkansas College reserves the right at any time to change, delete, or add to any of the provisions at its sole discretion without notice. If at any time you have questions regarding your employment, please contact your supervisor or your Human Resources Department.

This employee handbook supersedes all previous employee handbooks and management memos, which may have been issued on subjects covered herein. In the event of a change in any law, regulation, or College Policy cited in this handbook, the current law or policy will be automatically substituted and applied. The College Faculty Staff Handbook applies to both Classified and Non-classified employees.

**1.1. Employment at Will** – Employment at Southeast Arkansas College is at-will. Either you or Southeast Arkansas College may terminate the employment relationship at any time, with or without cause and with or without notice. The at-will relationship remains in full force and effect notwithstanding any statements to the contrary made by college employees or set forth in any documents.

Adjunct Faculty may teach up to 9 hours fall & spring and 6 hours summer.

**1.2.6. Classified Employee** - includes all members of the staff who support

the faculty and administration. The positions and pay for these positions is tied to the State Pay Plan and have a pay grade assigned. This includes, but is not limited to, clerical, secretarial, maintenance, auxiliary services, grants and certain mid-level management positions.

- 1.2.7. Non-classified Employees** - Includes members of the staff who fill administrative/professional positions, have a line item maximum salary assigned and whose positions are approved through the Arkansas Department of Higher Ed or Grants.

Southeast Arkansas College gives preference to certain qualified veterans, their spouses, or the surviving spouse of a deceased qualified veteran in hiring and employment.
- 1.4. Affirmative Action Policy** – Southeast Arkansas College is an equal opportunity/affirmative action employer. Decisions relating to employment, student admission or other functions, operations or activities are made without regard to race, color, sex, religion, national origin, age or disability of qualified handicapped individuals. The President of the college is responsible for implementing this policy through appropriate personnel.
- 1.5. Americans with Disabilities Act** – The Americans with Disabilities Act (ADA), extends previous legislation and adds a broad array of employment and access rights to disabled citizens. Additional information is available from the Disability Counselor.
- 1.6. Organizational Structure** - The organizational chart is a diagramed illustration of administrative authority and responsibility and is a guide to institutional activity. It outlines the College's major units and the overall reporting structure (e.g., Academic Affairs, Nursing & Allied Health, Student Affairs, Fiscal Affairs, College Affairs and College Organizational Chart). Every effort is made to keep the College Organizational Charts updated as changes to our organization take place. See College Website under [Faculty & Staff Handbook](#)
- 1.7. Representation of the College** - College officials and members of the faculty or staff may be delegated by the Board or the President to represent the College on appropriate occasions. No such delegate, however, may

commit the College to any doctrine, policy, financial matter, or action without first obtaining the approval of the President, or when appropriate, the Board.

- 1.8. Responsibilities of College Personnel** - It is the responsibility of all personnel employed by the College to assist the Southeast Arkansas College Board of Trustees in efforts to create greater understanding between the College and the community and practice professional conduct. Each employee of Southeast Arkansas College shall be responsible to the Board through his/her immediate supervisor and the President.

**Dress Code** - SEARK College is a business, therefore, employees are expected to exhibit professionalism in their dress. All clothing worn by SEARK employees should reflect a professional image of a public employee. All employees must wear their picture identification badge while on campus

**Clothing:** Faculty and staff must dress professionally and use conservative, business-like taste in selecting clothes that are worn. Extreme styles, excessively tight, revealing, and fad-type clothing must be avoided. Business suits/dresses or well-coordinated slacks with collared shirts or blouses are considered acceptable.

On a day-to-day basis, the following are NOT considered appropriate for faculty/staff dress except for approved departments: torn denim or T-Shirts, exercise sweat suits, sport tank tops, halter dresses and tops, strapless dresses (unless with a jacket), excessively short skirts/dresses, shirts with inappropriate print or cartoon figures. Un-tucked blouses/shirts should be long enough to keep from exposing the midriff when bending or reaching. Any exceptions to this policy will be handled through the departments Vice President.

SEARK administration may recognize certain unique situations that require flexibility, such as allowing employees to wear jeans, t-shirts and tennis shoes for assignments involving manual labor (such as Physical Plant Staff, Campus Events, Special Days etc...or Scrubs for Nursing & Allied Health Faculty).

Any disagreements over enforcement of this policy should be worked out first, between the employee and the appropriate supervisor; second, among the employee, supervisor, and the appropriate vice president.

**Hairstyles:** Hair must be clean and neat in a business like style. Beards and moustaches must be well groomed.

**Footwear:** Safety, comfort and appearance are main considerations for acceptable footwear. Shoes must be clean and reflect a business style appropriate to your department. Crocs or beach-style/rubber flip-flops are not appropriate.

**Body Art:** Visible tattoos and body piercings must be within reasonable business guidelines. Excessive and offensive tattoos must be covered.

- 1.9. Committees** - Faculty and staff may be assigned to serve on various

committees. All employees are expected to attend assigned committee meetings as part of their employment.

**1.10. Code of Ethics** - Employees at Southeast Arkansas College will be oriented on the Code of Ethics Policy and will sign a document to that effect at the time of employment and when updated.

**1.11. Conflicts of Interest** - Each employee of the College has an obligation to report any personal financial interest in any enterprise that also does business with the College, and these disclosures must be made to the President and reported to the Board. **1.11.1. Engaging in Outside Employment** - No full-time employee of the College shall engage in any outside employment, which, in the judgment of the administration, reflects unprofessionally against the faculty or the College image, is considered unethical, or interferes with the employee's regular duties.

SEARK employees cannot receive duplicate payment for the same hour internally or externally. Acceptance of outside employment during the working day and receiving compensation while working the same time at SEARK is prohibited.

Any employment with another State of Arkansas agency, college, university or school must be disclosed on Employment Disclosure Forms to insure that State salary maximums are not exceeded. See Website Employee Disclosure Form under [Faculty & Staff Handbook](#)

Employees are not to endorse candidates, including the Governor, in their official capacity as state employees.

Arkansas state law prohibits state employees from devoting time or labor during usual working hours toward the campaign of candidates for office or for the nomination to an office. Political banners, posters or literature should never be allowed to be displayed on or in any state office. Political bumper stickers or

decals should never be displayed on or in state cars.

This policy is not intended to limit free and objective discussion in the classroom of all ballot issues where appropriate, nor is it intended to limit the right of a faculty member to align actively in any political activity outside the classroom. This policy is not intended to limit the right of an employee to be an adviser (and therefore, a partisan member, if desired) of a properly constituted political club on campus.

**1.12. Grievance Procedures** – See Policy on College Website Employee Forms under [Faculty Staff Handbook](#)

**1.13. Reduction in Force** - Reductions in force may be caused by:

- (a) declining or reduced enrollments overall or in a given individual program,
- (b) reduced appropriations or tax collections,
- (c) reduced workload, or
- (d) other conditions that may require personnel reductions.

Professional level personnel reductions may be effected by:

- (a) withdrawal of overload assignments,
- (b) increased student-teacher ratios,
- (c) not filling personnel vacancies,
- (d) reassignments within the College,
- (e) employee termination, or
- (f) increasing assigned credit hour workload.

Employees so terminated may be given some preference in rehiring when conditions permit employment of persons with their qualifications.

**1.14. Applying for a Different Position** - Position vacancies will be posted on the College's website, campus bulletin boards, internal e-mail and may be publicized in local and state newspapers and journals. Any qualified applicant may apply for a vacant position; however, a separate College application must be submitted for each position sought and all proper application requirements met. Selection for the position shall be made based on merit, education, and experience. If all of these factors are deemed equal, length of service at Southeast Arkansas College will be considered.

**1.19.1. Sick Leave** - Sick leave is a privilege, not an entitlement. A leave request is not approved until approved by the supervisor. If unauthorized leave is taken, leave without pay will be in effect. Sick leave cannot be used until the first working day of the month after it has been earned. Employees may not borrow from anticipated future accruals. Failure to notify the immediate supervisor or to report absence due to illness or injury may result in leave without pay and/or suspension/termination. Notification of absence due to illness shall be given as soon as possible on the first day of absence to the employee's supervisor. Failure to properly notify his/her supervisor may result in leave without pay and/or suspension/termination.

Employees accrue sick leave at the rate of one (1) day or eight (8) hours for each complete month of service. The maximum sick leave accrual is 120 days or 960 hours at calendar year- end. An employee shall not earn sick leave when on leave without pay for ten (10) or more cumulative days within a

calendar month.

Sick leave may be used for only the following purposes:

- When the employee is unable to work because of sickness, injury; medical, dental, or optical treatment.
- Death or serious illness of a member of the employee's immediate family. Immediate family is defined as the father, mother, sister, brother, spouse, child, grandparents, grandchild, in-laws, or any individual acting as a parent or guardian of an employee.
- Nine-month faculty can use a maximum of 8 hours of sick leave per fall/spring semester at their discretion for personal business with prior approval from their supervisor. Nine-month faculty don't earn and cannot take sick leave during the summer term.
- Full-time employees who are of retirement age per state definition and formally indicate they are retiring are entitled to payment of unused sick leave based upon a schedule outlined in the DFA Policy and Procedures Manual.
- The College reserves the right to change or stop the Compensation for Unused Sick Leave at Retirement (400 or more hours see State Policy) for non-classified employees. Change in policy will be determined by the Board of Trustees.
- Employees continue to earn sick leave at the normal accrual rate when they are on sick leave or annual leave unless ten or more days of leave without pay are taken in a calendar month.
- Sick leave is granted on the basis of workdays, not calendar days. Non-work days, such as holidays and weekends, are not charged as sick leave.
- Approved absences due to sick leave, except in the case of maternity leave, shall be charged in the following order: (1) earned sick leave, (2) comp time, (3) earned annual leave/birthday leave and (4) leave without pay.
- Employees who are on sick leave for five (5) or more consecutive days must furnish a certificate of illness from an attending physician. If the supervisor notes a pattern of sick leave usage or suspects abuse of sick leave, a doctor's written verification may be requested by the employee at any time. A certificate from a Christian Science practitioner listed in the Christian Science Journal may be submitted in lieu of a physician's certificate.

- Accrued sick leave will be restored to any employee's credit if he/she returns to State employment within six (6) months of termination. This provision shall apply only if the employee was terminated due to budgetary reasons or curtailment of work activities.
- Requests to use sick leave for purposes of medical, dental, or optical examinations, hospital stays, funerals, etc., shall be made in advance whenever possible. Application for sick leave is to be filed on the first working day upon return.
- If an employee fails to make proper notification for use of sick leave or attempts to use sick leave for reasons other than stated above, such absences may result in leave without pay and/or disciplinary action, up to and including suspension/termination. Such determination shall be made by the appropriate supervisor and with a recommendation to the President.
- When an employee transfers between State agencies and/or State supported institutions which are covered by the Uniform Attendance and Leave Policy Act (ACA §21-4-201 *et. Seq.*), they are possibly entitled to a transfer of the unused portion of his/her annual and sick leave.
- The amount of leave to be transferred shall not exceed the accrual limits established in the Uniform Attendance and Leave Policy Act (ACA §21-4-201 *et. Seq.*). The receiving agency will be responsible for verifying the employee's accrued leave with the relinquishing agency.

**1.19.2. Children's Educational Activities Leave (CEAL)** – All full-time state employees shall be entitled to eight (8) total hours of leave, regardless of the number of children, during any one (1) calendar year for the purpose of attending or assisting with the educational activities of a child. Children's Educational Activities Leave that is unused may not be carried over to the next year. The term controlled substance refers to any drug not prescribed for the individual by the licensed health care practitioner, the illegal use of which violates State and Federal regulations. It also includes legal drugs prescribed by a licensed health care practitioner that are being abused.

Employees must notify his or her division dean or other appropriate supervisor in writing of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such a conviction.

The Division Chair or Dean, or supervisor of the employee shall immediately convey this information, through appropriate channels, to the supervisor to whom he or she reports. If the convicted employee is engaged in a project funded by federal monies, the aforementioned supervisor will notify the granting or contracting agency within ten days after receiving notice of the conviction. An employee who is convicted under any criminal drug statute for a violation occurring in the workplace is required to successfully complete a drug counseling or rehabilitation program. Additional sanctions, including termination of employment, may be imposed for the first-time and/or repeated convictions.

Adherence to the terms of this policy is a condition of employment at SEARK and, in particular, of those engaged in work funded by a federal grant or contract.

- 1.28. Use of Tobacco** – Arkansas requires a smoking ban at all public institutions of higher education effective 8-1-10. See Clean Air on Campus Act of 2009. - 1.34. **Attendance at Commencement\Graduation** – Members of the full-time faculty (9 or 12 months) and staff must sign in and participate in proper academic attire unless previously excused by the Vice President for Academic Affairs or President.

Members of the staff must sign in and work or take part in the Commencement Day exercises unless previously excused by Departmental Vice President.

Failure to take part in Commencement could result in loss of pay or benefits.

## 2. Faculty Employment Issues

- 2.1. **Appointment to the Faculty** - Positions will be filled after a search for potential candidates. A search committee appointed by the appropriate Vice President, Dean, Director or Coordinator who will make a recommendation to the President will review candidates and/or resumes. Southeast Arkansas College is an Equal Opportunity/Affirmative Action employer.
- 2.2. **Filing of Credentials** - It is the responsibility of each member of the administration and faculty to have current credentials (including a resume) on file in the personnel office for employment and documentation for financial awards when achieving advanced degrees (awards are not retroactive). Faculty and staff should notify their Vice President and Human Resources in writing that an advanced degree has been earned and that they are requesting an increase in pay. These increases may be awarded at the next fiscal year if funding permits. These credentials are records of information. Official transcripts must be mailed from awarding institution directly to Human Resources. Failure to provide needed credentials may result in the termination of contractual agreements.
- 2.3. **Faculty Letter of Appointment** - Returning faculty will be provided a Letter of Intent during the spring semester of the current year. A Letter of Appointment for the next school year will be provided before July. The Letter of Appointment will specify the faculty member's proposed salary for the coming year, contingent upon the availability of funds. A separate agreement may be issued for extra duties, overload teaching assignments, and the summer session. Some changes in the letter of appointment may be required to insure

conformity with established salary provisions, the length of time served under the letter of appointment, or changes due to academic advancement. In order to qualify for advancement due to additional education, a faculty member must submit written notification to the Vice President for Academic Affairs then to the President. An official transcript of additional work must also be presented before the advancement becomes effective. The Letter of Appointment states that those signing agree to abide by all policies, rules, and regulations established by the Board. The president or their designee is authorized to sign all Letters of Appointment.

**2.3.1. Acceptance of Letter of Appointment** - In order for the administration to effectively plan, it is imperative that letters be returned by the date indicated in the letter. Failure to comply with this provision automatically voids the appointment.

## **2.4. Compensation and Benefits –**

**2.4.1. Review of Compensation** - The administration will review the compensation of employees to determine that amounts are adequate to attract, hold, and fairly compensate the caliber of faculty and non-classified personnel essential to an educational program of excellence.

**2.4.2. Faculty Salary Schedule – The Faculty Salary Schedule was suspended 12-31-2010**. If the Salary Schedule is resumed, advancement from step-to-step on the salary schedules will not be automatic with each year's experience. Instead, the movement will be contingent upon satisfactory completion of each year's work performance, professional growth, and the availability of funds. Determination of salaries for faculty who are moved from one level to another will be left to the discretion of the administration.

**Determination of Individual Salaries** - The administration of the College shall be responsible for placing members of the faculty and staff at the appropriate level.

**2.5. Attendance** - Faculty members are responsible for holding every session of each course for the full, scheduled time. If an instructor must be absent or late for any reason, he/she should call the appropriate Dean or Chair/Coordinator the night before, when possible, or before 7:30 a.m. Only illness or emergencies warrant missing a class. Bereavement is considered an emergency. Other leave will be without pay. Instructors teaching an evening class should contact the Dean, Supervisor, Assistant or Vice President of Academic Affairs several hours in advance if he/she cannot be present for class.

**2.5.1. Regular Work Week** - As state employees, all full-time college employees are required to work at least a 40-hour week, excluding meals. Faculty are required to be on campus 35 hours per week. Meal breaks will not be less than 30 minutes or more than 60 minutes each. Breaks will be limited to 15 minutes each - morning, afternoon or

evening. The regular work week for 9-month faculty is a minimum 35 scheduled hours per week on-campus excluding meals, and 5 off-campus hours to be used for college purposes. The 35 hours per week on-campus schedule must include a minimum of 10 posted office hours when faculty are available for student conferences and other college activities. Faculty teaching in non-credit and short-term credit programs normally adheres to a regular 40-hour workweek schedule as approved by the immediate supervisor.

**2.6. Calendar of the Academic Year** - The academic calendar consists of two standard semesters that includes 3 sessions and one summer semester with 3 terms any abbreviated terms as approved for the catalog. A copy of the school calendar indicating the normal school terms and the staff holidays appears on the college website under [Academic Calendar as changes occur](#) and in the catalog.

**2.7. Administrative Guidelines Related to Teaching Loads and Overload Compensation –**

**2.7.1. Introduction** – These guidelines are designed to apply to any person(s) who engages in instructional activities under the auspices of the College. For the purpose of these guidelines, overload applies to a teaching overload of any full-time faculty member over 15 hours.

Adjunct refers to an individual employed to teach one or more credit or non-credit courses. Adjunct instructors are generally referred to as individuals employed to teach 9 hours or less in a regular semester and 6 hours or less in summer.

Prep is short for academic preparation. A course, or multiple sections of the same course, is one academic preparation. When evaluating teaching load, 15 lecture contact hours (50 minutes per clock hour) each semester equals one semester credit hour.

When evaluating teaching load, 2 science lab contact hours (50 minutes per clock hour) equals one semester credit hour load of a lecture class. The instructional year has three semesters: fall, spring, and summer. For the purpose of calculating instructional load, every semester will be viewed as a whole unit. The scheduling/acceptance of a teaching overload is optional based upon mutual agreement between the College administration and the full-time instructor or full-time College employee.

Distance education courses (CIV and Internet) with at least 18 students have the same weight as lecture courses in the overall load of a faculty member. The Vice President for Academic Affairs will consider distance education courses with less than 18 individually when calculating teaching load. The College will be sensitive in scheduling classes (when possible) to meet personal requests made in writing and in advance of the class scheduling

process. The College reserves the right to cancel a class when: (a) fewer than 10 students enroll, (b) a qualified instructor is not available, (c) necessary facilities, equipment or materials are not available, or (d) for reasons which would otherwise make the teaching and learning in the class inefficient or ineffective.

SEARK employees cannot receive duplicate payment for the same hour internally or externally. Acceptance of outside employment during the working day and receiving compensation while working the same time at SEARK is prohibited.

Any employment with another State of Arkansas agency, college, university or school must be disclosed on a Concurrent Employment form to ensure that State salary maximums are not exceeded.

## **2.7.2. Administrative Guidelines –**

**2.7.3. Teaching Load** - A normal full-time faculty teaching load each regular (fall, spring) semester is 15 semester credit hours with three or fewer preps. All classes taught within the confines of a semester, regardless of how scheduled (day/evening, 8-week/16-week, etc.), are considered together when determining teaching load and overload compensation.

**2.7.4. Teaching Load Prep** - A normal faculty teaching load of 15 semester credit hours is reduced to 12 hours when four preps are reached. Nothing extra is awarded for the 5th, 6th, and 7th prep. Extra compensation is awarded again at the 8th prep and subsequently in multiples of four. Course sections that are taught by distance education methods are not considered for additional preps. If an extra class is assigned that necessitates an overload in terms of hours, while at the same time necessitating four or more preps, then compensation for the overload, as well as the preps, will be paid.

**2.7.5. Work Week** - Full-time faculties are required to maintain a 35-hour workweek during the contracted duty period. Overload responsibilities must be considered extraneous to the 35 hours of required teaching/office hours. If an instructor is carrying a six-hour overload, for example, then six hours must be added to the 35-hour week commitment bringing the total weekly responsibility to 41 hours. Student interaction, committee assignments, and other duties that are quality indicators shall not be compromised for the sake of teaching load.

**2.7.6. Teaching Overloads** - Full-time faculties are generally 9-month contractual employees. The maximum teaching overload for a full-time faculty member is 9 semester credit hours during the duration of a regular (fall, spring) semester.

- 2.7.7. Twelve Month Faculty Teaching Loads** - When a full-time faculty member is a 12-month contractual employee, the teaching load is set at 9 semester credit hours for the summer semester (summer sessions 1, 2, 3, 4, etc.). Overload maximums for full-time, 12-month faculty is 3 semester credit hours or a total of 12 semester credit hours for the summer semester.
- 2.7.8. Adjunct Maximum Teaching Loads** - The maximum teaching load for part-time and adjunct faculty is 9 semester credit hours during the duration of a regular (fall, spring) semester. The maximum teaching load for part-time and adjunct faculty is 6 semester credit hours during the duration of the summer semester (summer sessions 1, 2, 3, 4, etc.).
- 2.7.9. Department Chair Teaching Loads** - The standard teaching load for Department Chairs will be nine semester credit hours.
- 2.7.10. Dean Teaching Loads** - The standard teaching load for Departmental Deans will be six semester credit hours or other assigned duties.
- 2.7.11. Technical Course Loads** - Loads for technical courses are calculated the same as other courses. Deans/Chairs should consult the catalog for the number of contact hours that are lab and lecture and calculate accordingly. Vice President will consider contact hours calculations in determining teaching loads.
- 2.7.12. Non-Credit Instruction** - Non-credit instruction is generally paid per clock hour. A maximum teaching load for non-credit instruction is 15 clock hours per week. The Division Dean/Chair and Vice President for Academic Affairs must approve exceptions to these guidelines.
- 2.7.13. Pro-Rated Classes** - Classes with fewer than 10 students may be pro-rated for calculating load purposes. A class, for example, with only 8 students may be evaluated at 8/10 the load value of a class with 10 or more students. Likewise, faculty with a total load of fewer than 60 students may not be eligible for overload compensation.
- 2.7.14. Combined or Stacked Class Load** - Combined or stacked classes (taught at the same time) count as one class and one preparation. Classes, which are team-taught, (two instructors) are pro-rated accordingly (50/50) as to course prep, credit hour load calculation and/or overload compensation, assuming equal participation by each instructor.
- 2.7.15. Internships** - Internship work experience courses and community service learning courses are treated as lab courses (1/2 the value of lecture courses) in assessing faculty loads. As usual, this is based on 10 or more students.
- 2.7.16. Independent Study** - The College generally discourages compensation for Independent Study. The College makes every effort to provide comprehensive

schedules to benefit students with varying course scheduling demands. When independent study is unavoidable, compensation is \$50.00 per student.

- 2.7.17. Other Assigned Duties** - Upon advice by the Vice President for Academic Affairs and approval by the President, alterations to teaching loads may be made due to the assignment of administrative duties, accreditation standards, or other academic or load considerations.
- 2.7.18. Non-Faculty Instruction** - Academically qualified College personnel who are not faculty may be asked to teach a course(s). To qualify for additional compensation, the full-time employee must teach the course outside normal business hours (8:00 a.m. – 5:00 p.m.) or have a special work schedule that is approved by the President. Compensation will be paid according to adjunct or overload policy.
- 2.7.19. Class Size Overloading** - Compensation is not granted for class size overloading. Classroom headcount is not necessarily a positive or negative factor in the learning environment. Overloading, in the context of the classroom, occurs when there are too many students for the seating capacity of the room, for needed lab equipment such as microscopes and computers, or for other educational considerations that directly impact instructional outcomes. An overloaded class shall be addressed by leveling (putting some of the students in smaller sections), splitting (creating a new section of the class), adding seats or equipment, or other pedagogically sound methods.
- 2.7.20. Compressed Interactive Video Compensation** - When faculty are teaching a course in a compressed interactive video (CIV) studio and additionally has one or more receiving sites, classes of one to ten students will be compensated at \$600.00 per each receiving site.
- 2.7.21. Internet Courses** - Internet courses may be counted the same as a classroom course for the purpose of determining faculty teaching load. Instructors with fewer than 10 Internet students per course section will be compensated at a rate of \$90.00 per student until the maximum of \$1,800 is reached. Maximum enrollment in a specific section of an Internet course is the same as in-person lecture courses.

NOTE: Full compensation per semester credit hour of instruction is \$600.00 for a minimum of 10 students per class. Pro-rated compensation for a class of fewer than 10 is calculated at the rate of \$90.00 per student.

- 2.8. Evaluation of Faculty** – Each faculty member is evaluated annually. Evaluations of the faculty are conducted by the administration and by the students to identify strengths of the faculty for reinforcement and to identify areas that may need improvement. Peer evaluation and self- evaluation are encouraged as evaluation methods. The objective of faculty evaluation is to maintain the best instructional environment possible.

The College evaluates full-time and adjunct faculty teaching face-to-face courses using the following procedure.

(Concurrent Credit Instructors should refer to the Concurrent Credit Faculty Handbook for evaluation procedure).

The Annual Review Process for Face-to-Face faculty includes:

- Direct Observation by the Division Dean or Coordinator, as designated
- Student Evaluation of Instruction
- An Evaluation Conference, which includes the establishment of personal and professional goals with the faculty member.

The Annual Review Process for online faculty includes:

- Observation of the online environment via meeting with the Vice President, Division Dean, or Coordinator, as designated annually.
- Review of course content, learning outcomes, organization, and presentation in Moodle. (Internet Instructor Evaluation Tool Part A).
- Student evaluation of online instruction. (Embedded in online course)
- Evaluation conference (online or face-to-face) which includes the establishment of personal and professional goals.
- Review the instructor/student interactions as detailed in Part B of the Internet Instructor Evaluation Tool.

**2.8.1 Direct Observation of the course and/or learning environment by the Division Dean or Coordinator-** The Division Dean or Coordinator observes instructors and/or the online learning environment annually, by appointment. The Division Dean or Coordinator observes new instructors, full-time and adjunct, within the first month of instruction. A scored evaluation tool, using a Likert Scale, is completed by the Division Dean or Coordinator for documentation purposes. The Division Dean or Coordinator provides the instructor with feedback following the observation— either immediately on-site, online or by appointment at a later date. A copy of the Departmental rating of faculty is forwarded to the Vice President for Academic Affairs.

**2.8.2 Student Evaluation of Instruction-** Student evaluation of instruction is conducted and coordinated with the direct observation of instructors or the learning environment in order to establish a complete picture of instructor performance in meeting student learning outcomes. The Division Dean or Coordinator provides the Office of Institutional Research (IR) with the names, course and section number of faculty to be evaluated for the current semester. The IR Office collects and analyzes the evaluation results then forwards them to the Division Dean and the Vice President for Academic Affairs

**2.8.3. Annual Evaluation Conference -** The Division Dean or Coordinator schedule an annual evaluation conference with each full-time and adjunct

faculty member. Conferences for online faculty may be conducted and documented through online chats. During this conference, results of student and coordinator observations are discussed. The Student Evaluation of Instruction and Classroom Observation are used by the college to validate instructor performance and provide documentation for consideration, merit and/or contract renewal.

If complaints focusing on course content, instructor behavior, or language proficiency are received at any time during the semester, the Division Dean and/or the Vice President for Academic Affairs conduct an immediate investigation. Documentation gathered may be considered in determining instructor contract renewal and/or disciplinary action. The Vice President for Academic Affairs may be notified and choose to participate in the counseling and the determination of an appropriate plan of action. Information is shared with the President as warranted.

**2.8.4. Dismissal/Non-reappointment of Faculty or Staff-** The Faculty Letter of Appointment takes precedence over any agreement or contracts made prior to the date of the Letter of Appointment and may be terminated at any time. Arkansas is an “at will state”.

Causes for dismissal or non-reappointment of faculty or staff may be, but are not limited to the following:

- willful violation of a State or Federal law,
- use of alcohol during working hours,
- drug abuse,
- felony admission and/or conviction,
- inability to satisfactorily perform assigned duties and responsibilities,
- failure to follow and adhere to college policies,
- neglect of duties,
- insubordination,
- failure to follow the chain of command/organizational chart,
- failure to keep current and maintain competency in one's field,
- general inaccuracy,
- dishonesty,
- misconduct that negatively affects College operations or reputation.

The principle of academic freedom will not protect an incompetent or negligent faculty member, nor will it prevent the institution from making proper efforts to evaluate the work of each professional staff member. Students must be listed on the roster to attend class. Students who attend the class must be marked accurately. Students who do not attend the class must also be marked accurately.

**2.10.7. Selection of Textbooks** – Prior to selection of textbooks, faculty members should discuss textbooks with their Division Dean and the Vice President for Academic Affairs, in order to improve book selection or to override adoption policies. A single required set of textbooks must be approved for use in all course sections. If faculty and Division Dean cannot decide, the Vice President for Academic Affairs will break the tie.

Textbooks are adopted annually during the spring semester in order to be used in the fall semester. Changes cannot be made in the middle of a school year. When textbooks are adopted it should be for 2 year periods unless the technology or research makes them obsolete. Faculty will be encouraged to adopt free electronic books where possible.

Adjunct instructors will use and place on the syllabus, the same textbooks that are adopted by the full-time faculty.

If a text is listed as required on the syllabus, it has been stocked in the bookstore at the instructors’ or departments’ request and must be purchased and used.

This equipment must be inventoried annually and must also be inventoried upon the termination or exit of an instructor. Any suspected theft or inventory discrepancy should be reported to the Business Office.

No equipment is to be removed from the College campus without the written permission of a Vice President or the President or their designee. A [Removal of Inventory Form](#) is to be completed whenever equipment is moved from one location to another and turned into the Director of Physical Plant.

**2.10.11. Performance of Other Duties** - From time to time the faculty may be called upon to work on projects and activities other than their teaching assignments. Such activities may include recruiting and advising students, serving on faculty committees, and performing other duties in College-related functions.

**2.10.12. Academic Recordkeeping** – Faculty is expected to maintain appropriate academic and attendance records daily either on paper or electronically. Faculty needs to be able to produce daily attendance as well as academic records upon request. These records should be kept for five years and are subject to review by Legislative Audit.

## **2.11. Policies and Regulations –**

**2.11.1. Independent Study Policy** – Independent Study Courses are College courses whose objectives can be appropriately and effectively achieved on an independent study basis.

Courses which require a lab, clinical or other supervised work experience are generally not deemed suitable for independent study. **2.11.2. Approval of Field Trips** - Field trips should be approved by the administration one week in advance of the trip, when possible. If transportation is required, the Director of Physical Plant should be contacted two weeks in advance, when possible. Field trips (transporting or requiring students to participate) for a campus sponsored activity are scheduled by using the appropriate form available from the Division Dean / Chairs / Coordinators. See [Travel Assumption of Risk & Release of Liability Form](#) under Faculty & Staff Handbook

**2.11.3. Faculty Sabbatical** - Any faculty member who has rendered service to the College for at least seven consecutive years may be granted a leave of absence not to exceed one year. Upon the recommendation of the President of the College, and approval by the Board, this leave of absence may be granted for the purpose of permitting study or travel, which will benefit the College and enrich instruction to the students.

While on sabbatical leave, the faculty member may receive a stipend of up to one-half of his/her salary for the previous year. However, benefits do not automatically continue while on sabbatical. When applying for a sabbatical, it is imperative the applicant visit with the Vice President for Fiscal Affairs to arrange continuation of benefits. In addition, any faculty member who has rendered service to the College for at least four consecutive years may be granted a leave of absence not to exceed one semester. Upon the recommendation of the President of the College, this leave of absence is also granted for the purpose of permitting study or travel, which will benefit the College and enrich instruction to the students. Faculty members may receive a stipend of up to one-half of his/her semester's salary for the previous academic year. Time spent on sabbatical leave or leave of absence for educational purposes shall count as regular service on the salary schedule.

Any faculty member who files an Application for Sabbatical Leave shall, at the same time, file an affidavit stating that he/she will remain in the employ of the College for at least two years following the return from the leave of absence, unless prevented by ill health, unavoidable conditions, or the College's decision to release the employee.

Failure for other reasons to return for the two-year period will automatically make the person liable for the return of all, or part, of the sabbatical stipend equal to the percent of the time not completed. No more than five percent of the faculty of the College may be granted sabbatical leave at one time. In case more applications are received than can be granted, the College administration will determine who will receive sabbatical leave.

Sabbatical leave will be granted only when sufficient funds are available to pay the stipend and employ qualified adjunct faculty to teach in the absence of the faculty member who is on leave. Service to Southeast Arkansas College shall count toward time eligibility requirements for sabbatical leave.

**2.11.4 Drones and other Flying Devices-** Drones and any other electronic flying devices may not be used on the campus.

### **3. Staff Employment Issues**

This section pertains to 12-month classified staff and non-classified/12-month faculty. The State Pay Plan sets salaries for classified positions. Normally, salary increases occur through raises passed by the legislature. The current pay plan information can be found at <http://www.state.ar.us>.

**3.1. Employment of Classified Personnel** - Classified personnel shall meet the eligibility requirements of the State Office of Personnel Management. The administrator under whom the classified person will work shall appoint a search committee to interview the prospective applicants and make recommendations to the College President for final approval, without verification by the Board. The College President will advise the Board of any personnel changes at the next Board meeting. Part-time classified employees will be hired using the same process as used to hire classified personnel.

**3.2. Employment of Non-Classified 12-month faculty/staff** - This classification of the employee is typically an administrator, professional staff or faculty member. The selection of this employee is accomplished through a committee interview.

**3.3. Attendance** - Classified employees are expected to work an 8-hour day and a 40-hour week. If an employee must be absent or late for any reason, he/she should contact the immediate supervisor or designee the night before, if possible, or before 7:30 a.m. Violation of the attendance policy involving unscheduled absence or tardiness for whatever reason and absences or tardiness that exhibits a pattern, including excessiveness, in either case, will result in disciplinary action and possible termination.

**3.4. Overtime Work, Overtime Pay, and Compensatory Time-Off** - The State of

Arkansas has declared that overtime pay for state employees is the least desirable method of compensation of overtime work. Consequently, the College does not utilize overtime pay as a method of compensation. Non-exempt employees, which include the classified support staff of the College, are eligible for compensatory time. Exempt, classified employees do not earn Compensatory time. Compensatory time is defined as time earned for work performed in excess of forty (40) hours in the workweek. Compensatory time may not be earned in less than fifteen (15) minute increments. All employees performing qualifying non-exempt work within a workweek accrue compensatory time at a rate of one and one-half (1 ½) times the number of hours worked in excess of 40 hours. Non-exempt employees are eligible for compensatory time in lieu of overtime payment. Further, it is held to be the policy of the State of Arkansas that any overtime work necessary to the continued effective operations of the state shall be managed in the most efficient and economic manner possible. All overtime work for compensatory time must be approved in advance and in writing by the appropriate senior administrative official of the College. When possible, the practice of temporarily altering the employee's regular work schedule to provide equivalent time off within a workweek is preferable to compensatory time. A workweek is defined to be between 12:00 a.m. Sunday morning and 11:59 p.m. Saturday night.

**3.5. Compensatory Time** - Compensatory time is defined as time earned for work performed in excess of 40 hours in the workweek. Compensatory time may not be earned in less than fifteen (15) minute increments. If an employee has a balance of Compensatory time, it must be used prior to using annual leave. Compensatory time is reflected on a Leave Form Request under Other and a notation should be made that the employee is using Compensatory time.

**3.6. Sick Leave Policy** - See General Employment Considerations Section 1.19.1 for guidelines regarding sick leave.

**3.7. Vacation (Annual Leave)** - Annual leave applies to full-time 12-month employees. Vacation periods must be scheduled at the convenience of the College. There may be blackout times that vacation leave may not be taken. Vacations must be scheduled at least five working days before the vacation is to begin. Failure to properly schedule vacations may result in the request being denied. Employees must have annual leave approved verbally by their supervisor before submitting in Paycom. If unauthorized leave is taken, leave without pay is in effect. Employees on 12-month assignments are entitled to annual leave with full pay calculated based on the following accrual schedule:

0 - 3	years service	8 hours per	(12	days annually)
4 - 5	years service	10 hours per	(15	days annually)
6 - 12	years service	12 hours per	(18	days annually)
13 – 20	years service	14 hours per	(21	days annually)
Over 20	years service	15 hours per	(22.5	days annually)

Annual leave is cumulative; however, no more than 30 days (240 hours)

annual leave shall be carried forward to any new calendar year. **(Employees begin to accrue leave time after completing one month's service.)**

When an employee leaves the institution due to resignation, retirement, or termination, the unused annual leave, subject to approval, may be liquidated by a lump-sum payment not to exceed 30 working days. Unused accumulated annual leave of a deceased employee will be payable to either the estate of the deceased or an individual authorized to receive the payment.

**3.8. Career Service Recognition Payments** - Employees of Southeast Arkansas College and non-faculty employees shall become eligible for annual career service recognition payments upon completion of ten (10) or more years of State service in either elected positions or classified or non-classified regular full-time position or positions.

**3.8.1. Years of Service Annual Payment –**

10 through 14	of State service	\$600
15 through 19	of State service	\$700
20 through 24	of State service	\$800
25 or more years	of State service	\$900

Employees become eligible to receive career service recognition payments on their career service credit date. Employees who have received career service payments in the previous biennium shall receive payments on their career service credit date or their increase eligibility date, whichever occurs first within the fiscal year. Payments to non-classified employees shall be made on the anniversary of the employee's latest hire date.

**3.9. Evaluation** - The employee's immediate supervisor shall make an annual evaluation of the services of each employee. The evaluation shall be made in writing on a standard form provided by the Human Resources Office and shall include an examination of personnel relationships, job competency, the performance of assigned tasks, work, and personal habits. The supervisor shall discuss the evaluation with the employee and shall state to the employee the criteria used in the evaluation. This evaluation shall be done at the employee's six-month anniversary date and every June thereafter. Copies of this evaluation shall be submitted to the employee and to the personnel office for placement in the employee's permanent record. Should the employee wish to have a review of the evaluation, a request in writing should be made to the President.

**3.10. Transfer** - A request for transfer from one office or department to another position may be originated with the administration, by the employee, or may be requested by the employer or his/her Division Dean/Chair. The President shall make final approval of the transfer.

- 3.11. Dismissal Probationary or Temporary Employees** - Employees hired on a six-month probationary or temporary basis may be dismissed without prior notice during the probationary or temporary period without the right of appeal.

Personnel employed on a regular or non-probationary basis may be given two weeks' notice of dismissal, except in those cases where, in the judgment of the president, the welfare of the college demands immediate dismissal. Twelve-month non-classified faculty/staff employment is on a year-by-year basis.

## **4. Federal Policies and Employee Rights**

### **4.1. Title IX and Sexual Harassment Policy**

Harassment on the basis of sex is illegal and a violation of Title VII of the Civil Rights Act of 1964, as amended.

Southeast Arkansas College is committed to providing an education and work environment that is free of discrimination. Harassing actions or comments based on an individual's gender, race, national origin, age, religion, disability or any other legally protected characteristic will not be tolerated. Employees, students, or other individuals who feel aggrieved because of conduct that may constitute sexual harassment are *encouraged* to immediately inform the person engaging in such action that the conduct is offensive and must stop.

The policy below defines sexual harassment and establishes a procedure whereby alleged sexually harassed faculty, staff, and students may lodge a complaint immediately and confidentially to the EEOC Compliance Officer or designee for informal resolution or to address formal written complaints. Sexual harassment is a violation of the College policy as well as state and federal law and is neither permitted nor condoned.

#### **Education and Work Environment**

Within the education or work environment, sexual harassment is prohibited between employees, students and campus guests.

#### **General Definitions:**

Sexual harassment occurs when unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature:

1. Is made either explicitly or implicitly a term or condition of an individual's educational status or employment;
2. Is used as a basis for educational or employment decisions affecting the individual;
3. Has purpose or effect of unreasonably interfering with an individual's

educational/work performance or creating an intimidating, hostile, or offensive educational, social or working environment.

**Examples that may constitute sexual harassment:**

For the purpose of further clarification, sexual harassment includes, but is not limited to:

Unsolicited written, electronic, verbal, physical and/or visual contact with sexual overtones.

Examples:

6. Offering favors, educational benefits, or employment benefits such as grades, promotions, favorable performance evaluations, favorable assignments, favorable duties or shifts, recommendations, reclassifications, etc., in exchange for sexual favors.

**Note:** Southeast Arkansas College investigation is conducted independently of any action (or inaction) on the part of law enforcement and criminal justice authorities. Disciplinary sanctions for violation of this policy may include warnings, restrictions, probation, reprimands, suspensions, expulsion, and/or termination of employment. Any disciplinary action taken will depend upon the severity of the offense and based on the outcome of the investigation.

If the TITLE IX COMPLIANCE Officer is named in the harassment complaint or has a personal relationship with those involved, an alternative investigator will be appointed.

At every step of the procedure, confidentiality will be maintained to the extent

possible to protect the individuals involved. Employees or students who disclose confidential information or who knowingly provide false information will be subject to disciplinary action.

### **INFORMAL COMPLAINT RESOLUTION**

Before pursuing the formal complaint process, every reasonable effort should be made to resolve issues with students, faculty, staff, or administrators. Whenever possible and safe, the problem or complaint should first be discussed with the individual involved in the complaint. If a satisfactory resolution is not reached after discussion with the individual, the complainant should contact the individual's direct supervisor to resolve the complaint. If these efforts are unsuccessful, the formal complaint process may be initiated. The College does not require a complainant to contact the person involved or that person's supervisor if doing so is impracticable, or if the complainant believes that the conduct cannot be effectively addressed through informal means.

### **FORMAL COMPLAINT / GRIEVANCE PROCEDURES**

#### ***Responsibility to Report***

Any student, faculty, staff, administrator, or visitor to the campus who has experienced or witnessed sexual harassment is strongly encouraged to report the incident. The College must know about incidents of sexual harassment in order to stop them, protect victims, and prevent future incidents.

It is the responsibility of faculty, administrators, and supervisors to report complaints of sexual harassment they receive and of possible sexual harassment of which they become aware. When there is a relationship that involves legally recognized professional confidentiality between the complainant and the person to whom the harassment is reported, the report may be withheld at the request of the complainant.

#### ***Notification***

Students, faculty, administrators, staff, or visitors to the College are strongly encouraged to report allegations of discrimination or harassment to the Title IX Compliance Officer or designee. Sexual discrimination or harassment reports should be made as soon as possible to facilitate an effective response.

Upon receipt of the complaint/grievance, the TITLE IX COMPLIANCE Officer or Designee will open a formal case file, begin the investigation process and at the appropriate time notify the

respondent. The Title IX Compliance Officers are:

Vice President for Academic Affairs  
Dr. Kaleybra Morehead  
Welcome Center-Adm. Room 850

Vice President Student Affairs  
Mr. Scott Kuttenkuler  
Welcome Center-Adm. Room

842

### ***Investigation***

1. The TITLE IX COMPLIANCE Officer or designee will investigate and work with others as needed.
2. The EEOC Compliance Officer or designee will:
  - Be trained and secure training for faculty/staff and administrators as needed
  - Identify the correct policies allegedly violated
  - Conduct an immediate initial investigation to determine if there is reasonable cause to justify the allegations and determine an incident has occurred
  - \*If there is insufficient evidence to support reasonable cause, the grievance should be closed with no further action
  - Meet with the complainant to finalize the grievance
  - Prepare the notice of allegations on the basis of initial investigation
  - Develop a complete investigation plan which may include a witness list, an evidence list, an intended timeframe, and an order of interviews for all witnesses, including the respondent
  - Conduct a thorough, reliable and impartial investigation. Witnesses may or may not be given notice prior to the interview
  - Complete the investigation promptly, and without unreasonable deviation from the intended timeline.
  - Make a finding on the case, based on a preponderance of the evidence which indicates that a policy violation has or has not occurred
  - Present the findings to the individual alleged accused party to have committed discrimination or harassment or the complainant who may accept/reject the findings or accept/reject the findings in part (See Appeals below)
  - Share the findings and update the complainant on the status of the investigation and the outcome.
  - Share the findings and update the complainant on the status of the investigation and the outcome.

### ***Appeals Before Hearings***

If either the grievant or respondent is dissatisfied with the findings of the investigation report, they may file an appeal with the Title IX Compliance Officer. The appeal must be in writing, signed by the person making the appeal, and must be delivered to the Title IX coordinator within five calendar

days of the date the report was delivered to the person who is filing the appeal.

Hearings will only be granted by the Compliance Officer in exceptional circumstances.

Because the original finding and sanctions are presumed to have been decided reasonably and appropriately, the party requesting an appeal must show error. The ONLY grounds for appeal are as follows:

1. A procedural or substantive error occurred that significantly affected the outcome of the hearing (e.g. substantiated bias, material deviation from established procedures, etc.).
2. New evidence has been found which was unavailable during the original hearing or investigation that could substantially affect the original finding or sanction. A summary of this new evidence and its potential impact must be included.
3. The sanctions imposed are substantially disproportionate to the severity of the violation.

If the TITLE IX COMPLIANCE Officer/Designee determines that an error occurred, the Officer may review the evidence or collect additional evidence. The Title IX Compliance Officer may refer the grievance to a Hearing Committee with instructions to consider the error.

### ***Appeals Following a Hearing***

After the hearing, either the complainant(s) or respondent(s) may appeal the findings and/or sanctions only under the grounds described below. All sanctions imposed by the original hearing body will be in effect during the appeal. The complainant or respondent may seek an appeal by contacting the TITLE IX COMPLIANCE Officer/Designee, in writing, within five (5) business days following receipt of the Letter of Determination. The appeal will go to the President. The President will review the complaint, investigation, sanctions or actions and determine if the internal due process of the College has been followed. The original finding and sanctions will stand if the appeal is not timely or substantively eligible, and the decision is final.

Because the original finding and sanction are presumed to have been decided reasonably and appropriately, the party requesting an appeal must show error. The ONLY grounds for appeal are as follows:

1. A procedural or substantive error occurred that significantly affected the

outcome of the hearing (E.g. substantiated bias, material deviation from established procedures, etc.).

2. New evidence has been found which was unavailable during the original hearing or investigation that could substantially affect the original finding or sanction. A summary of this new evidence and its potential impact must be included.
3. The sanctions imposed are substantially disproportionate to the severity of the violation.

If the TITLE IX COMPLIANCE Officer/Designee determines that an error occurred, the Officer may return the grievance to the Hearing Committee with instructions to reconvene to consider the error.

The appeal procedure and determination will typically be completed within 20 business days. The procedures governing the hearing of appeals include the following:

- Sanctions imposed are implemented immediately unless the party determining the sanction stays their implementation in extraordinary circumstances, pending the outcome of the appeal.
- All parties should be informed in a timely manner of the status of requests for appeal, the status of the appeal consideration and the results of the appeal decision
- Appeals are not intended to be a full rehearing of the complaint. In most cases, appeals are confined to a review of the written documentation or record of the original hearing, and pertinent documentation regarding the grounds for appeal
- The President will render a written decision on the appeal to all parties within seven (7) business days, or as soon as possible thereafter from hearing the appeal.
